Domain Identifier: fssai | Statutory Authority: Food Safety and Standards Authority of India (MoHFW)

Legislative Base: Food Safety and Standards (Ayurveda Aahara) Regulations, 2022 (FSSAI Gazette Notification F. No. Std/SP-05/A-1.2022).

Core Regulatory Mandates & Compliance Boundaries:

- **Definition of Ayurveda Aahara:** Foods prepared in accordance with recipes or principles described in authoritative books of Ayurveda listed in Schedule A, but NOT including ASU drugs or cosmetics.
- **Schedule A Permissible Treatises:** Formulations must strictly adhere to recognized texts (Charaka, Sushruta, Bhavaprakasha, AFI).
- **Prohibition on Synthetic Additions:** Synthetic vitamins, minerals, or amino acids CANNOT be blended into pure Ayurveda Aahara products.
- **Regulation 2.3 — Prohibition on Disease Claims:** Products CANNOT claim to treat, mitigate, prevent, or cure any human disease. Such claims trigger reclassification as an ASU drug.
- **Regulation 5 — Mandatory Front-of-Pack Labelling:**
 - Official '**AYURVEDA AAHARA**' Logo must be prominently displayed next to the brand name on principal display panel.
 - Mandatory warning: '**AYURVEDA AAHARA - NOT FOR MEDICINAL USE**'.
 - Clear target consumer advisory, advisory on excessive consumption, and physiological purpose must be stated.
- **Licensing via FoSCoS Portal:** Must be registered and licensed electronically via the FSSAI FoSCoS portal (foscoss.fssai.gov.in) under category 13.0 / Ayurveda Aahara.
