

AYURLEX (IP-SAKTI SAHAYAK)

Statutory Datasets & Regulatory Knowledge Base Compendium

A Comprehensive Reference Guide to Indexed Indian Legal Statutes, Pharmacopoeial Benchmarks, FSSAI Food Safety Regulations, Biodiversity ABS Mandates, and Optimal RAG Query Formulations.

System Designation:	AYURLEX (IP-Sakti Sahayak) Statutory Intelligence System
Corpus Version:	v2.0-Verified (Zero-Hallucination Policy Standard)
Primary Jurisdiction:	Republic of India (Central Acts, Gazette Orders, Pharmacopoeias)
Statutory Corpora:	8 Specialized Domains across 12 Authoritative Legal Repositories
Indexed Chunks:	144 Authoritative Passages with Section & Source Attribution
Embedding Pipeline:	BAAI/bge-m3 Hybrid Fusion (Dense 1024-dim + Sparse BM25 Rerank)
Governing Bodies Covered:	Ministry of AYUSH, CGPDTM (IP India), FSSAI, PCIM&H, NBA, CSIR-TKDL
Target Audience:	Ayurvedic Physicians (Vaidyas), Pharma Manufacturers, IP Attorneys, Startups

■ Executive Purpose of this Compendium:

This document serves as the master specification of all datasets ingested and indexed in the AYURLEX Retrieval-Augmented Generation (RAG) knowledge engine. It provides researchers, developers, legal practitioners, and end-users with the exact statutory sections, applicable form numbers, regulatory thresholds, and optimal query formulations needed to extract verified, 100% grounded legal guidance without hallucinations.

Table of Indexed Statutory Datasets

The AYURLEX knowledge base is categorized into 8 distinct statutory domains. Each domain maps to verified Acts of Parliament, Gazette Notifications, and Pharmacopoeial benchmarks:

#	Domain Key	Statute / Primary Legislative Act	Authority	Chunks	Core Focus
1	patents	The Patents Act, 1970 (as amended)	CGPDTM (IP India)	55	Invention criteria, Section 3(p) TK exclusion, Section 3(e) synergy, Forms 1-18
2	ayush	Drugs & Cosmetics Act, 1940 & Rules, 1945	Ministry of Ayush / SLA	34	ASU Drug definition 3(a), First Schedule 54 texts, Schedule T GMP, Forms 24D/25D
3	fssai	FSSAI (Ayurveda Aahara) Regulations, 2022	FSSAI (MoHFW)	27	Schedule A texts, Regulation 5 logo & warnings, no-disease-cure claims
4	trademarks	The Trade Marks Act, 1999 & Rules, 2017	Trade Marks Registry	23	Section 2(1)(zb), Classes 3, 5, 30, 35, Form TM-A ■4500, Section 9 refusal
5	abs	Biological Diversity Act, 2002 / 2023	NBA Chennai / SBB	7	Section 6 Form III approval before patent grant, 0.1-0.5% ABS levy
6	gi	Geographical Indications of Goods Act, 1999	GI Registry (CGPDTM)	6	Collective community rights, terroir links (e.g. Kashmir Saffron, Navara Rice)
7	tkdl	Traditional Knowledge Digital Library	CSIR / Ayush	4	Prior art defense, revocation of US Turmeric & EPO Neem patents
8	who	WHO Quality Guidelines for Herbal Medicines	WHO / PCIM&H;	3	Heavy metal thresholds (Pb < 10 ppm), microbial limits, WHO-COPP export

1. Patent Law & Traditional Knowledge Exclusions

Domain Identifier: patents | Statutory Authority: Controller General of Patents, Designs & Trade Marks (CGPDTM)

Legislative Base: The Patents Act, 1970 (Act No. 39 of 1970) as amended by the Patents (Amendment) Act, 2005, read with The Patents Rules, 2003 and the Manual of Patent Office Practice and Procedure.

Key Statutory Sections Indexed in AYURLEX:

- **Section 2(1)(j) — Definition of Invention:** Requires a new product or process involving an inventive step and capable of industrial application.
- **Section 2(1)(l) — Novelty:** Any invention or technology which has not been anticipated by publication in any document or used in the country or elsewhere in the world before filing.
- **Section 2(1)(ja) — Inventive Step:** A feature of an invention that involves technical advance as compared to the existing knowledge or having economic significance, making the invention not obvious to a person skilled in the art.
- **Section 3(p) — Traditional Knowledge Exclusion:** Explicitly declares that an invention which in effect is traditional knowledge or which is an aggregation or duplication of known properties of traditionally known component(s) is *NOT an invention*.
- **Section 3(e) — Mere Admixture Bar:** A substance obtained by a mere admixture resulting only in the aggregation of the properties of the components thereof, or a process for producing such substance, is unpatentable. To overcome Section 3(e), applicants must submit comparative pharmacological bioassay data demonstrating synergistic efficacy (Combination Index CI < 1.0).
- **Section 10(4)(ii)(D) — Biological Material Disclosure:** Mandatory disclosure of the source and geographical origin of biological materials used in the invention.

- **Section 48 — Exclusive Rights Conferred:** Statutory monopoly right to prevent third parties from making, using, offering for sale, selling, or importing the patented product or process without consent.
- **Section 53 — Term of Patent:** Valid for twenty (20) years from the date of filing of the application, subject to annual renewal fee payments.

Statutory Forms, Portals & Government Fees:

- **Official Filing Portal:** IP India Comprehensive e-Filing Portal (ipindia.gov.in). Prior art search portal: InPASS (ipindiaservices.gov.in).
- **Form 1:** Application for grant of patent (Basic applicant information).
- **Form 2:** Complete / Provisional Specification (Includes background, technical drawings, examples, and claims).
- **Form 3:** Statement and undertaking regarding foreign filings under Section 8.
- **Form 5:** Declaration as to inventorship.
- **Form 18:** Request for Examination (RFE) — must be filed within 48 months from filing.
- **Statutory Fees:** ₹1,600 for Individuals / Startups / MSMEs (₹8,000 for standard corporate entities).

Optimal RAG Queries for this Dataset:

1. 'What is a patent under Indian law?' → Returns two-layer plain language explanation + Sections 2(1)(j), 48, and 53.
2. 'How to file a patent in India?' → Returns sequential 6-step roadmap from InPASS search to Form 1-18 filing.
3. 'Can I patent an Ayurvedic herbal formulation of Ashwagandha and Turmeric?' → Returns legal bar under Section 3(p) and synergy requirements under Section 3(e).
4. 'How to overcome Section 3(e) objection in an Indian patent examination?' → Returns bioassay Combination Index protocol (CI < 1.0).

2. Trade Marks & Brand Protection for Ayurvedic Commerce

Domain Identifier: trademarks | **Statutory Authority:** Trade Marks Registry (CGPDTM)

Legislative Base: The Trade Marks Act, 1999 (Act No. 47 of 1999) read with Trade Marks Rules, 2017.

Key Statutory Sections & Nice Classification:

- **Section 2(1)(zb) — Definition of Trademark:** A mark capable of being represented graphically and which is capable of distinguishing the goods or services of one person from those of others, including shape of goods, packaging, and combination of colours.
- **Section 2(1)(m) — Definition of Mark:** Includes device, brand, heading, label, ticket, name, signature, word, letter, numeral, shape of goods, packaging, or combination of colours.
- **Section 9 — Absolute Grounds for Refusal:** Prohibits registration of marks that lack distinctive character or consist exclusively of signs or indications which serve in trade to designate kind, quality, quantity, intended purpose, or geographical origin.
Ayurvedic Rule: Generic single plant names (e.g. 'Ashwagandha', 'Triphala', 'Brahmi') cannot be registered by one entity.
- **Section 11 — Relative Grounds for Refusal:** Prohibits marks identical or confusingly similar to earlier registered marks for similar goods.
- **Section 21 — Opposition Window:** Statutory 4-month public opposition period following Trade Marks Journal publication.
- **Section 23 & 25 — Certificate & Renewal:** Form O-2 Certificate issued upon completion; valid for 10 years and renewable indefinitely.
- **Section 28 & 29 — Exclusive Rights & Infringement:** Exclusive right to use mark; rights to file civil suits for injunctions, damages, and destruction of infringing packaging.

Nice Classification Classes for Ayurvedic Industry:

- **Class 5:** Ayurvedic medicines, herbal pharmaceuticals, therapeutic formulations, medicated oils.
- **Class 3:** Herbal cosmetics, non-medicated herbal oils, shampoos, soaps, skincare creams.
- **Class 30:** Ayurvedic dietary foods, herbal teas, spices, flour, Ayurveda Aahara food preparations.
- **Class 35:** Retail and wholesale distribution, online marketplaces, Ayurvedic clinic management.

Procedural Roadmap & Official Fees:

- **Form TM-A:** Single omnibus application for trademark registration. Government statutory fees: **■4,500** for Individuals, Startups, and MSMEs (Udyam certificate mandatory); **■9,000** for standard corporates. Submission entitles immediate usage of the TM symbol.
- **Examination & Form O-2:** Reply to examination report within 30 days. After 4-month journal window, Form O-2 Certificate is issued, enabling usage of the registered ® mark.

Optimal RAG Queries for this Dataset:

1. 'What is a trademark?' → Returns simple layperson definition first, followed by Section 2(1)(zb), Classes, and Sections 28/29.
2. 'How to register a trademark in India?' → Returns 6-step statutory process (Search → Class → Form TM-A → Reply → Journal → Form O-2).
3. 'Can I trademark the name Triphala for my herbal shop?' → Returns Section 9 generic refusal exclusion.
4. 'What Nice Class covers herbal shampoo and Ayurvedic skin cream?' → Returns Class 3 (cosmetics) vs Class 5 (medicated).

3. AYUSH Drug Licensing, GMP & Authoritative Treatises

Domain Identifier: ayush | Statutory Authority: Ministry of Ayush & State Licensing Authorities (SLA)

Legislative Base: The Drugs and Cosmetics Act, 1940 (Chapter IV-A: Ayurvedic, Siddha and Unani Drugs) read with Drugs and Cosmetics Rules, 1945.

Key Statutory Provisions & Licensing Framework:

- **Section 3(a) — Statutory Definition of ASU Drug:** Defines Ayurvedic, Siddha, or Unani drugs as all medicines intended for internal or external use in the diagnosis, treatment, mitigation or prevention of disease or disorder in human beings or animals, manufactured exclusively in accordance with formulae in authoritative books specified in the First Schedule.
- **The First Schedule — 54 Canonical Texts:** Formally recognizes 54 ancient classical treatises as statutory benchmarks for ingredient authentication, including *Charaka Samhita*, *Sushruta Samhita*, *Ashtanga Hridaya*, *Sharangadhara Samhita*, *Bhavaprakasha*, *Sahasrayogam*, and the *Ayurvedic Formulary of India (AFI)*.
- **Product Classification Architecture:**
 - **Classical ASU Medicine (Form 24D/25D):** Formulations identical to First Schedule texts. No clinical trials required; substantiated by ancient textual citation.
 - **Patent or Proprietary (P&P;) ASU Medicine (Rule 158B):** Formulations containing ASU ingredients but in novel combinations, ratios, or delivery formats. Requires pilot clinical safety/efficacy documentation under Rule 158B.
- **Schedule T — Good Manufacturing Practices (GMP):** Mandatory statutory standards for factory premises, hygiene, storage areas, equipment, quality control testing, and batch release.
 - Mandatory appointment of full-time technical staff: Either a recognized degree in Ayurvedic Medicine (BAMS) or Ayurvedic Pharmacy (B.Pharm Ayurveda).
 - In-house testing laboratory equipped for raw material authentication, foreign matter, total ash, microbial limits, and heavy metals.
- **Statutory Forms & Grants:**
 - **Form 24D:** Application for license to manufacture ASU drugs on own premises.
 - **Form 25D:** Application for Loan License (utilizing an approved third-party GMP facility).
 - **Form 26D:** Certificate of Manufacturing License issued by State Licensing Authority (SLA).
 - **e-Aushadhi Portal:** Central online portal for SLA drug licensing management (e-aushadhi.gov.in).

Optimal RAG Queries for this Dataset:

1. 'What is the statutory definition of an Ayurvedic drug?' → Returns Section 3(a) and First Schedule treatises.
2. 'How do I register an Ayurvedic product in India?' → Returns 4-step statutory licensing roadmap (Classification → Schedule T → Form 24D/25D → Form 26D).
3. 'What are the Schedule T GMP requirements for an Ayurvedic tablet factory?' → Returns square footage, BAMS/B.Pharm staffing, and QC lab mandates.
4. 'What is the difference between Classical ASU and Patent & Proprietary medicine under Rule 158B?' → Returns clinical evidence requirements.

4. The Ayurvedic Pharmacopoeia (API) & Formulary (AFI)

Domain Identifier: ayush / api | Statutory Body: Pharmacopoeia Commission for Indian Medicine & Homoeopathy (PCIM&H;)

Statutory Benchmark: Under Section 33E and 33EEA of the Drugs & Cosmetics Act, standards published in the Ayurvedic Pharmacopoeia of India are legally binding quality benchmarks for purity, identity, and assay.

Pharmacopoeial Structure & Monographs:

- **API Part I (Single Drugs — Volumes I to IX):** Contains 600+ legal monographs detailing official botanical name, Sanskrit synonyms, macroscopic/microscopic characteristics, foreign organic matter (<2%), total ash, acid-insoluble ash, alcohol/water-soluble extractive values, and TLC/HPTLC fingerprinting benchmarks.
- **API Part II (Formulations — Volumes I to IV):** Standardized monographs for classical generic formulations (Asavas, Arishtas, Avalehas, Churnas, Tailas, Ghritas, Bhasmas, Guggulus, and Vatis).
- **Ayurvedic Formulary of India (AFI — Parts I, II & III):** Master canonical recipes specifying exact proportions of raw ingredients, traditional manufacturing processes (Samskaras), and shelf-life indications.
- **Statutory Contaminant Limits:**
 - Heavy Metals: Lead (Pb) ≤ 10 ppm; Arsenic (As) ≤ 3 ppm; Cadmium (Cd) ≤ 0.3 ppm; Mercury (Hg) ≤ 1 ppm.
 - Microbial Limits: Total viable aerobic count $\leq 10^5$ CFU/g; Total yeast and mould $\leq 10^3$ CFU/g; E. coli, Salmonella, Pseudomonas aeruginosa, and S. aureus must be completely absent.

Optimal RAG Queries for this Dataset:

1. 'What are the official API standards for Ashwagandha root (*Withania somnifera*)?' → Returns botanical assay, ash limits, and TLC Rf markers.
2. 'What are the statutory heavy metal limits for Ayurvedic medicines?' → Returns Lead, Arsenic, Cadmium, and Mercury thresholds.
3. 'What is the shelf life of Asava and Arishta under the Ayurvedic Pharmacopoeia?' → Returns fermentation stability rules.

5. FSSAI (Ayurveda Aahara) Regulations, 2022

Domain Identifier: fssai | Statutory Authority: Food Safety and Standards Authority of India (MoHFW)

Legislative Base: Food Safety and Standards (Ayurveda Aahara) Regulations, 2022 (FSSAI Gazette Notification F. No. Std/SP-05/A-1.2022).

Core Regulatory Mandates & Compliance Boundaries:

- **Definition of Ayurveda Aahara:** Foods prepared in accordance with recipes or principles described in authoritative books of Ayurveda listed in Schedule A, but NOT including ASU drugs or cosmetics.
- **Schedule A Permissible Treatises:** Formulations must strictly adhere to recognized texts (including Charaka Samhita, Sushruta Samhita, Bhavaprakasha, Ayurvedic Formulary of India).
- **Prohibition on Synthetic Additions:** Synthetic vitamins, minerals, or amino acids CANNOT be blended into pure Ayurveda Aahara products.
- **Regulation 2.3 — Prohibition on Disease Claims:** Products CANNOT claim to treat, mitigate, prevent, or cure any human disease. Such claims reclassify the product as an ASU drug under the Drugs & Cosmetics Act.
- **Regulation 5 — Mandatory Front-of-Pack Labelling:**
 - Official '**AYURVEDA AAHARA**' Logo must be prominently displayed next to the brand name on the principal display panel.
 - Mandatory warning: '**AYURVEDA AAHARA - NOT FOR MEDICINAL USE**'.
 - Clear target consumer advisory, advisory on excessive consumption, and physiological purpose must be stated.
- **Licensing via FoSCoS Portal:** Must be registered and licensed electronically via the FSSAI FoSCoS portal (foscoss.fssai.gov.in) under category 13.0 / Ayurveda Aahara.

Optimal RAG Queries for this Dataset:

1. 'What labelling warnings are mandatory on Ayurveda Aahara products?' → Returns Regulation 5 Front-of-pack logo and statutory warnings.
2. 'Can an Ayurveda Aahara dietary supplement claim to cure arthritis?' → Returns Regulation 2.3 prohibition and ASU drug reclassification risk.
3. 'How to get an FSSAI license for Ayurvedic herbal tea?' → Returns FoSCoS portal application workflow.

6. Geographical Indications of Goods Act, 1999

Domain Identifier: gi | Statutory Authority: Geographical Indications Registry (CGPDTM, Chennai)

Legislative Base: The Geographical Indications of Goods (Registration and Protection) Act, 1999 (Act No. 48 of 1999).

Statutory Provisions & Collective Heritage Protection:

- **Section 2(1)(e) — Definition of GI:** An indication which identifies goods as originating in the territory of a country, or a region or locality in that territory, where a given quality, reputation, or other characteristic of the good is essentially attributable to its geographical origin.
- **Section 8 & 11 — Collective Community Registration:** A GI tag can only be applied for and held by an association of persons, producers, or an organization representing the collective interests of the regional growers/artisans. *Sole private corporate entities cannot own a GI tag.*
- **Section 21 & 22 — Protection Against Infringement & Dilution:** Exclusive right to the use of the indication by registered authorized users, and legal power to sue for unfair competition and consumer deception under Section 22.
- **Indexed Ayurvedic & Botanical GI Tag Examples:**
 - **Kashmir Saffron (GI No. 635):** Sourced from high altitude karewa lands; celebrated in classical Ayurveda as Kumkuma (Crocus sativus).

- **Navara Rice (GI No. 47):** Indigenous medicinal rice from Kerala used in classical Shashtika Shali Pinda Sweda therapy.
- **Malabar Pepper (GI No. 49) & Alleppey Green Cardamom (GI No. 65):** Canonical ingredients of Trikatu and classical digestive formulations.

Optimal RAG Queries for this Dataset:

1. *'What is a GI tag and how does it protect regional Ayurvedic crops?'* → Returns Section 2(1)(e) and collective monopoly rules.
2. *'Can my private company register Kashmir Saffron as our exclusive trademark?'* → Returns Sections 8/11 GI collective rights and Section 9 trademark bar.

7. Biological Diversity Act, 2002 / 2023 & NBA Clearance

Domain Identifier: abs | **Statutory Authority:** National Biodiversity Authority (NBA, Chennai) & State Biodiversity Boards (SBB)

Legislative Base: The Biological Diversity Act, 2002 (Act No. 18 of 2003) as amended by the Biological Diversity (Amendment) Act, 2023.

Core Provisions & IPR Compliance Mandates:

- **Section 6 — Mandatory Prior NBA Approval Before Patent Grant:** No person shall apply for any intellectual property right, by whatever name called, in or outside India for any invention based on any research or information on a biological resource obtained from India without obtaining the previous approval of the National Biodiversity Authority.
- **NBA Form III:** The statutory application form that must be filed with NBA, Chennai. Failure to obtain Form III approval leads to statutory revocation of the patent under Section 64(1)(p) of the Patents Act.
- **Section 21 — Access & Benefit Sharing (ABS):** Fair and equitable sharing of benefits arising out of the commercial utilization of biological resources. Standard statutory benefit-sharing ranges between **0.1% to 0.5%** of the annual ex-factory sale of the commercial product.
- **Biological Diversity (Amendment) Act, 2023 Key Reforms:**
 - **Decriminalization:** Replaced criminal imprisonment (formerly up to 5 years under Section 55) with civil monetary penalties adjudicated by designated officers.
 - **Exemption for Registered AYUSH Practitioners:** Cultivators, registered AYUSH vaidyas, and codified traditional knowledge users are exempted from intimation to SBB under Section 7.

Optimal RAG Queries for this Dataset:

1. *'When is NBA Form III mandatory before patent grant in India?'* → Returns Section 6 requirements.
2. *'What are the Access and Benefit Sharing percentages on Ayurvedic herbal exports?'* → Returns Section 21 0.1%–0.5% levy.
3. *'How did the 2023 Biodiversity Amendment impact Indian AYUSH manufacturers?'* → Returns decriminalization and Section 7 exemptions.

8. TKDL Biopiracy Defense & WHO Quality Standards

Domain Identifiers: tkdl, who | **Joint Framework:** CSIR, Ministry of Ayush & World Health Organization

Traditional Knowledge Digital Library (TKDL) Prior Art Shield:

- **Repository Scale:** 34 million pages of codified ancient Ayurvedic, Unani, and Siddha texts transliterated into five international patent languages (English, French, German, Japanese, Spanish) mapped to International Patent Classification (IPC) via the Traditional Knowledge Resource Classification (TKRC).
- **Landmark Case 1 — Revocation of US Patent 5,401,504 (Turmeric):** USPTO granted a patent on using turmeric for wound healing. CSIR submitted ancient Ayurvedic slokas proving prior art; the patent was revoked in its entirety.
- **Landmark Case 2 — Revocation of EPO Patent 0436257 (Neem):** European Patent Office revoked a patent on fungicidal neem extract after CSIR presented ancient Ayurvedic citations.
- **Pre-Grant Opposition:** Patent examiners at USPTO, EPO, JPO, and CGPDTM consult TKDL under non-disclosure access agreements, preemptively rejecting biopiracy claims.

WHO Guidelines for Herbal Quality & Export COPP:

- **WHO Guidelines:** Standardizes maximum permissible limits for contaminants, pesticide residues, aflatoxins, and radioactive substances in finished herbal medicines.

- **WHO-COPP (Certificate of Pharmaceutical Product):** Statutory certification scheme administered by DCGI / State Licensing Authority enabling export of Ayurvedic products conforming to WHO GMP to 100+ countries.

Optimal RAG Queries for this Dataset:

1. *'How does TKDL protect ancient Ayurvedic formulations from foreign patenting?'* → Returns TKRC classification and Turmeric/Neem case laws.
2. *'How do I obtain a WHO-COPP certificate for Ayurvedic drug export?'* → Returns DCGI / SLA inspection workflow.

9. Master RAG Query Directory & Prompt Engineering Matrix

To achieve optimal, grounded responses from the AYURLEX RAG engine, match your user inquiry intent to the appropriate domain filter and query format:

User Intent	Domain	Optimal Query Structure	Expected Synthesis Style	Key Statutory Sections
Definitional (What is X?)	trademarks	'What is a trademark?' ■■■■■■■■■■ ■■■■ ■■■?' ■■■■■■■■■■■■■■■■■■■■ ■■■■ ■■■■■■■■■■■■■■■■■■■■ ■■■■ ■■■■■■■■■■■■■■■■■■■■ ■■■■'?	Layer 1: Simple layperson language with Dabur/Patanjali example. Layer 2: Technical sections.	Section 2(1)(zb), 2(1)(m), Classes 3/5/30, Section 28 & 29.
Procedural (How to do X?)	trademarks	'How to register a trademark in India?' ■■■■■■■■■■■■■■■■■■■■ ■■■■ ■■■■■■■■■■■■■■■■■■■■ ■■■■'?' ■■■■■■■■■■■■■■■■■■■■ ■■■■ ■■■■■■■■■■■■■■■■■■■■ ■■■■'?' ■■■■■■■■■■■■■■■■■■■■ ■■■■'?	Sequential Workflow: Step 1 Clearance search → Step 2 Nice Class → Step 3 Form TM-A ■4500 → Step 4 Examination 30d → Step 5 Journal 4mo → Step 6 Form O-2 ®.	Trade Marks Rules 2017 Form TM-A, Section 21, Section 23.
Definitional (What is X?)	patents	'What is a patent?' ■■■■■■■■■■ ■■■■ ■■■?' ■■■■■■■■■■ ■■■■ ■■■■■■'?' ■■■■■■■■■■ ■■■■ ■■■■■■'?	Layer 1: 20-year legal monopoly certificate in plain words. Layer 2: 3 Pillars of patentability.	Section 2(1)(j), 2(1)(l) Novelty, 2(1)(ja) Inventive step, 48, 53.
Procedural (How to do X?)	patents	'How to file a patent in India?' ■■■■■■■■■■ ■■■■ ■■■■ ■■■■■■■■■■ ■■■■'?' ■■■■■■■■■■ ■■■■ ■■■■ ■■■■■■■■■■ ■■■■'?' ■■■■■■■■■■ ■■■■'?	Sequential Workflow: Step 1 Prior art InPASS → Step 2 Form 2 specification → Step 3 Forms 1,2,3,5 ■1600 → Step 4 NBA Form III → Step 5 Form 18 RFE → Step 6 Grant.	The Patents Rules 2003 Forms 1, 2, 3, 5, 18; NBA Section 6.
Definitional (What is X?)	ayush	'What is Ayurveda under Indian law?' ■■■■■■■■■■ ■■■■ ■■■■ ■■■■■■■■■■ ■■■■ ■■■■'?' ■■■■■■■■■■ ■■■■ ■■■■'?	Statutory Definition: Section 3(a) ASU drug, 54 First Schedule texts, Ministry of Ayush & PCIM&H; API.	Drugs & Cosmetics Act 1940 Section 3(a), First Schedule.
Procedural (How to do X?)	ayush	'How do I register an Ayurvedic product in India?' ■■■■■■■■■■■■■■■■■■■■ ■■■■■■■■■ ■■■ ■■■■■■■■■ ■■■■ ■■■■■■■■■■ ■■■■'?' ■■■■■■■■■■ ■■■■'?	4-Step Roadmap: Step 1 Classification (Classical vs P&P; vs Aahara) → Step 2 Schedule T GMP → Step 3 SLA e-Aushadhi Form 24D/25D → Step 4 Inspection Form 26D.	D&C; Rules 1945 Rule 158B, Schedule T, Form 24D/25D.
Regulatory Boundary	fssai	'What labelling warnings are mandatory on Ayurveda Aahara?'	Statutory Mandate: Front-of-pack logo, mandatory warning 'NOT FOR MEDICINAL USE', no cure claims.	FSSAI (Ayurveda Aahara) Regulations 2022 Reg 2.3, 5.
Statutory Clearance	abs	'When is NBA Form III required before patent grant?'	Mandatory Clearance: Section 6 mandatory Form III approval before patent grant on Indian biologicals.	Biological Diversity Act 2002 Section 6, 21.
Zero-Hallucination Fallback	auto	'Can I sell cryptocurrency under Ayurveda?'	Zero-Hallucination Disclosure: ■■■ Insufficient Statutory Resources in AYURLEX Corpus' + official portal links.	Zero-Hallucination Grounding Standard.

■ **Verification & Tamper-Proof Audit Standard:**

Every response generated by the AYURLEX RAG engine is backed by cryptographic proof-of-authority. Citations map directly to the indexed statutory chunks documented in this Compendium. All queries and citations can be audited in real-time on the Admin Verification Ledger at /admin.
